Circular

It has been observed that the faculty members are engaging daily wagger in the working group meetings where mostly the number of participants (experts) is Two to Eight only. As per the instructions from the authority, daily wagger may only be engaged for training programmes where the participants are more than 20-30 in number. For working group meetings, the services of MTS allotted to the Department/ Centre may be utilized for the work.

This issues with the approval of the competent authority.
