Monthly Activities during October, 2023

2. Training of Teachers and key Functionaries for Improving the Quality of Vocational Education and Training in Andaman and Nicobar Islands

The training programme was organised by PSS Central Institute of Vocational Education (PSSCIVE), Bhopal from 11 to 20 October 2023 aimed to enhance the understanding and skills of key functionaries and vocational teachers in Andaman and Nicobar Islands. Participants included officials of the Department of Education and State Council of Educational Research and Training, Principals of Schools implementing Vocational Education, and Vocational Teachers. The key objectives included orienting officials on NEP 2020 and vocationalisation of school education, developing pedagogical skills among vocational teachers, training on employability skills, and advancing knowledge for effective implementation of various job roles. The blended mode of the programme, combining classroom sessions on National Education Policy 2020 (NEP), National Skill Qualifications Framework (NSQF), and the Samagra Shiksha initiative., workshops, practical exercises, and field visits, ensured a holistic learning experience. Open discussions were held to address issues and challenges in the implementation of vocational education in schools and districts of Andaman and Nicobar Islands.
